## *KNOLLWOOD VILLAGE CONDOMINIUM ASSOCIATION*

### *ANNUAL ELECTION OF MEMBERS*

#### *FIRST NOTICE - AUGUST 12, 2020*

*Dear Knollwood Village Co-owner,*

*As you may be aware, current health conditions and restrictions subsequently imposed, prevent the Association from scheduling its Annual Meeting as it typically would be. As a result, the Association will schedule a meeting to be held at a future date once restrictions are lifted and conditions permit to safely gather for the event. The Association will, however, proceed with the election process by mail as it has in previous years. Pursuant to the Knollwood Village Condominium Association, notice is hereby given for the Annual Election of Members (Owners) of the Association, which will be completed through mail-in balloting.*

*At this Annual Election of Members, the membership will vote to elect **two (2)** volunteer members, each to serve a two (2) year term of office on the Board of Directors.*

*If you wish to place your name in nomination, **please fill out the enclosed resume form and return same to the office of Association Management by Friday, August 28, 2020.** A copy of your resume will then be included with the Second Annual Election Notice along with the proxy/ballot and instructions for voting in this election.*

*Very truly yours,*

*Board of Directors
